Dr David Baker

MB, ChB, Dip Med (Sexual Health), DCH

My Story...

Dr David Baker is a GP and also a Director of Bondi Road Doctors.

David Baker has worked in Darlinghurst and has consulted from East Sydney Doctors for over twenty years. He has a special interest in Sexual Health and HIV Medicine as well as Addiction Medicine and Hepatitis C. David has completed additional training at University of Sydney – the Diploma in Medicine (Sexual Health).

David is actively involved in medical student training as a senior lecturer (adjunct) at the University of Notre Dame. He also works as a medical adviser to the Australasian Society of HIV Medicine and is a member of many local and national advisory committees in the areas of HIV and hepatitis.

David coordinates a number of research projects from East Sydney Doctors and presents research findings at local and international meetings. He is actively involved in improving health care to marginalised groups including homeless people and people who inject drugs. He is also interested in the treatment of skin conditions and has undertaken training with the Royal Australasian College of Dermatology in surgical procedures. He is experienced in the use of Sculptra injections for facial wasting.

David is closely involved with East Sydney Doctors gallery which holds new exhibitions every 8 weeks including an annual show of the art work of patients of the doctors consulting at East Sydney Doctors. Sometimes he rides his bicycle to work and occasionally has a surf (badly). He looks forward to meeting you at Bondi Road Doctors.
